After-School STEM Program

CODING | **COMPUTERS** | **SCIENCE** | **TECHNOLOGY**

Would you like to learn how to operate computers, create and run your own coding projects?

Would you like to learn about how to build things, explore how the world works, lives and grow and take exciting field trips?

Would you like to learn about all of the careers you can choose from in computers and the sciences?

... while getting high school credits toward graduation?

COME JOIN US!

**Tuesdays, Wednesdays
and Thursdays**

Stamford Anchor Program

Hours: 1:00 – 3:30 p.m.

Program begins

October 2, 2019

Transportation will be provided by the Stamford Board of Education.

This FREE program is open to all Stamford high school students.

Please complete application and return to your School Counselor.
